Complaint regarding unhygienic conditions in school yard at Mare D'Albert Government School

On 26th May 2025, this Office received an anonymous complaint regarding persistent unhygienic conditions in the school yard of Mare D'Albert Government School.

Upon enquiry, the Ministry of Education and Human Resource reported that an investigation was carried out by the Zonal Directorate. The Health Inspector of the Ministry of Health and Wellness visited the site and the decision was taken to instruct the neighbour living next to the school premises, Mr. M.G, to relocate the enclosure of his animal sheds.
