COMMUNIQUE

LOGO DESIGN COMPETITION organised by the Office of the Ombudsman in collaboration with the Ministry of Tertiary Education, Science and Research

EXTENSION OF THE SUBMISSION DEADLINE

Following the submissions received in response to the competition, which indicate an interest among students from diverse fields of study, we are pleased to announce that the eligibility criteria for the logo design competition have been broadened and the submission deadline extended to provide an opportunity to students in any field of study to participate and showcase their creativity for the first logo of the Office of the Ombudsman.

Accordingly, the competition is now open to all students currently enrolled in recognised tertiary education institutions in Mauritius, **irrespective of their field of study**.

The deadline for submission of entries has been extended to:

Wednesday 16 September 2026 at 15.00 hrs.

All other requirements relating to the format and submission of entries, as set out in the Terms and Conditions of the Competition, shall remain applicable.

Entries already submitted within the deadline of 31 August 2026 shall remain valid and will be considered under the revised eligibility criteria. Participants who have already submitted an entry may, if they so wish, submit a revised entry before the extended deadline.

Interested students are invited to consult the revised Terms and Conditions of the Logo Design Competition available on the website of the Office of the Ombudsman https://ombudsman.govmu.org

The organisers look forward to the participation of students from across the tertiary education sector and to receiving their creative and innovative contributions towards this initiative.

Office of the Ombudsman **Ministry of Tertiary Education, Science and Research**
