

Awareness Raising Session at African Leadership University

On 18th June 2024, the Office engaged with students and staff at the African Leadership University.

The primary goal of the Office's presence at the University was to increase awareness of its role within the university community.

Students, academic and non-academic staff had the chance to learn more about the functions and powers of the Ombudsman, as well as the services available through the Office.

Thirty-three (33) participants attended the session and 100 pamphlets were distributed to enable them better understand how the Office could assist them.
