

Awareness Raising Sessions held in collaboration with the National Women's Council

With a view to promoting human rights and educating a maximum of women, this Office conducted awareness raising sessions in collaboration with the National Women's Council in different regions of the island. These sessions enabled us to brief around 80 persons about the role and services offered by the Office of the Ombudsman which included women's associations, retired persons and representatives of Associations.

Session held on 08 August 2024 at Flacq Women Empowerment Centre

A total of 40 women attended the session at Flacq and a total of 100 pamphlets were distributed to members of the public and representatives of organisations for dissemination to their members.
